This section follows the Beatitudes where Jesus uses everyday things to explain the kingdom, his ministry and our value. Salt was very expensive and highly prized back not cheap and thrown on roads as it is now. Lighting your house after dark was also no small thing, to light a lamp and cover it is extremely foolish and wasteful.

10:30 AM - Worship Service - ***Inside*** AND ON ZOOM, this Sunday we will focus on Paul's letter to the Corinthians that has struggles having never done it that way before. One of the struggles is who to follow and who to listen to inside the church that has no permanent pastor but several Apostles coming through to preach and teach. Paul reminds them that all of the Apostles serve God and this is who the church should ultimately look to.

Worship Service at the Care Center, February 12th at 2:00pm

The Care Center is now open for church business and we will begin our rotation next Sunday to lead a small worship service for the residents the 2nd Sunday of the month at 2:00 PM. You can come and join in (I hear that more than just the pastor showed up in ages past).
