

Worship Committee Notes March 2023

Ash Wednesday, 2023

Committee members: Jenny, Ann, Linda, and Enno

Brief discussion of technology included the replacement piece for video capture and a reminder for Enno to turn of his mic during the hymns.

March Service Summary:

The month of March focuses on the Gospel of John.

Reminder that the first week of March is UCC Women's week.

March 12th Communion – This was not discussed, but Linda will bake a loaf of bread to break. Juice and gluten-free are in the refrigerator.

March 19th – A narrated play which Enno is writing (similar to our Christmas pageant) will be part of the service. Approximately 20 minutes in length. Ann will select an appropriate anthem for the choir to sing as part of this program. Something with "authority".

The 19th is One Great Hour of Sharing Sunday

Reminders:

Practice unfamiliar hymns with choir before the services.

Greeter and Offering sign up sheets are at church. We need to remember to strong arm people to sign up in advance.

Linda needs to solicit musicians for Maundy Thursday (6:00pm) and Good Friday assuming that we will have services on those dates.

Enno continues to send out the request for peace poem/liturgy.

Banners – Purple banners are taken down for the Good Friday service. White banners for Easter.

Enno will change/update newspaper ads.

Discussed but not decided?

Song leader residency March 15-18.
